Centerstone is a not-for-profit health care organization dedicated to delivering care that changes people's lives. We provide mental health and substance abuse treatment, education and support to communities in Florida, Illinois, Indiana, Kentucky, and Tennessee and additionally offer individuals with intellectual and developmental disabilities life skills development, employment and housing services. Nationally, we have specialized programs for service members, veterans and their loved ones, and develop employee assistance programs for businesses of all sizes. Our research institute improves behavioral healthcare through research and technology, and our foundation secures philanthropic resources to support our work.
