

Centerstone Partnership to Help Children and Families

Flourish

Centerstone's Flourish program's goal is to increase the well-being, improve permanency, and enhance the safety of children who are in or at risk of out-of-home placement due to parent/caretaker substance use.

Who can participate in Flourish?

Flourish will serve families in Madison County who have children who are in or at risk of being placed in an out-of-home placement due to the substantial impact of substance use.

Flourish will provide:

- Trauma-informed substance use disorder (SUD) treatment including prevention/recovery
- Activities/treatment for children that address child well-being and trauma
- Services designed specifically for violence and trauma symptoms and reactions
- Screening/assessment and case management
- Services for parents and children that improve parenting capacity and family functioning
- Individual and family counseling
- Peer support services
- Linkages to support services
