## About Intensive Placement Stabilization

The Intensive Placement Stabilization Program (IPS) provides support services for children and families in the foster care system. **This includes any child (0-18) under DCFS guardianship placed with a foster or biological family in Franklin, Williamson, Jackson or Perry County.**

IPS providers can help children and families by:

- Promoting stabilization within the home
- Developing family skills to decrease placement disruption
- Delivering referral and consultation services for schools, mental health providers, court proceedings, etc.
- Offering individual and family therapy, psychosocial education, etc.
- Assistance with crisis intervention
- Coordinating recreation and socialization activities
- IPS services can provide additional services for counseling already in place.
- **IPS provides services to traditional, fictive kin, specialized or biological homes.**
