CASTLE

Centerstone Autism Services:
Think! Learn! Explore!

402 East Plaza Drive, Suite #5,
Carterville
855-608-3560

CASTLE was founded in 2018 with the goal of providing effective treatment to clients between the ages of two- and five-years-old who have been diagnosed with Autism Spectrum Disorder (ASD) and reside in Franklin, Williamson or Jackson counties. Currently CASTLE is accepting private pay and commercial insurance clients, including Health Alliance, Aetna, Humana Military, and Blue Cross Blue Shield.

CASTLE services

CASTLE uses the most state-of-the-art assessment tools and training programs backed by evidence-based practices and the most recent research methods.

CASTLE services include:

- Comprehensive assessment of the child's current skills and deficits (including language and behavioral) conducted by a Board-Certified Behavioral Analyst (BCBA)
- Individualized treatment plan
- Development of age-appropriate academic and daily living skills
- Improvement of social skills and language
- Reduction in behavior challenges
- Verbal behavior training
- Ongoing support and training for parents and caregivers
- Engagement in daily living activities

About Centerstone

Centerstone is a not-for-profit health care organization dedicated to delivering care that changes people's lives. We provide mental health and substance abuse treatment, education and support to communities in Florida, Illinois, Indiana, Kentucky, and Tennessee and additionally offer individuals with intellectual and developmental disabilities life skills development, employment and housing services. Nationally, we have specialized programs for service members, veterans and their loved ones, and develop employee assistance programs for businesses of all sizes. Our research institute improves behavioral healthcare through research and technology, and our foundation secures philanthropic resources to support our work.
