Many of the children of Centerstone are victims of abuse and neglect. They have often been hurt by the very people who are supposed to care for them. They often arrive at our campus with all their possessions in plastic garbage bags, not knowing what awaits them at Centerstone.

You can help make their transition to our care easier and less frightening. We would like to welcome each child to his or her new home with a Welcome Basket. Can you imagine how much better they would feel with a special teddy bear or blanket to accompany them to their new home at Centerstone?

If you or your group would like to donate items or a complete Welcome Basket to Centerstone, please contact Missy Fountain at (502) 451-5177 or missy.fountain@centerstone.org.
