

# Clinical Student Internships

## Are you a student with a Bachelor's or Master's degree in psychology, social work, counseling, criminology, or a related field?

Centerstone offers internship experiences at both the Bachelor's and Master's levels.

Our diverse population, spanning from infants and children to seniors, provides invaluable experience in various settings, including inpatient, outpatient, and community-based environments.

Our internships are designed with flexibility in mind, tailored to your needs and schedules. Our supervisors are trained and available to provide hands-on experience, training, and support, laying the groundwork for your professional growth.

## Benefits of interning with us include:

- Free supervision hours from qualified professionals
- Flexible schedules
- Diverse client populations and settings
- Opportunities to meet requirements for direct client service hours
- Exposure to substance use and mental health
- Convenient locations in Bradenton, Sarasota, Ft. Myers, and Labelle
- Internships may lead to potential full-time employment upon completion

## About Centerstone

Centerstone is a nonprofit health system specializing in mental health and substance use disorder treatments for people of all ages. Services are available in Florida, Illinois, Indiana, North Carolina, and Tennessee through the operation of outpatient clinics, residential programs, school-based services, telehealth, and an inpatient hospital. Centerstone also offers specialized programs available nationwide for the military community, as well as services for children, including therapeutic foster care. Centerstone's Institute provides guidance through research and technology, leveraging the best evidence-based practices for use across our communities. Centerstone's Foundation secures philanthropic resources to support the work and mission of delivering care that changes people's lives.
