About Centerstone

Centerstone is a nonprofit health system specializing in mental health and substance use disorder treatments for people of all ages. Services are available in Florida, Illinois, Indiana, North Carolina, and Tennessee through the operation of outpatient clinics, residential programs, school-based services, telehealth, and an inpatient hospital. Centerstone also offers specialized programs available nationwide for the military community, as well as services for children, including therapeutic foster care. Centerstone's Institute provides guidance through research and technology, leveraging the best evidence-based practices for use across our communities. Centerstone's Foundation secures philanthropic resources to support the work and mission of delivering care that changes people's lives.
