

Gambling Disorder Treatment

Gambling intervention and treatment services

Is gambling affecting your well-being or the well-being of those around you? Centerstone can help. Centerstone staff are trained in the Centerstone Addictions Model, a comprehensive, evidence-based treatment model developed by the Centerstone Research Institute.

Treatment will include:

- Gambling disorder screening
- Comprehensive assessment
- Incorporation of family members
- Facilitation of long-term recovery
- Certified Peer Recovery Support Specialists advocacy and help
- Recovery-oriented system of care
- Individualized treatment plan
- Focus on continuity of care among all providers through outreach, consultation, referrals and advocacy

About Centerstone

Centerstone is a not-for-profit health care organization dedicated to delivering care that changes people's lives. We provide mental health and substance abuse treatment, education and support to communities in Florida, Illinois, Indiana, Kentucky, and Tennessee and additionally offer individuals with intellectual and developmental disabilities life skills development, employment and housing services. Nationally, we have specialized programs for service members, veterans and their loved ones, and develop employee assistance programs for businesses of all sizes. Our research institute improves behavioral healthcare through research and technology, and our foundation secures philanthropic resources to support our work.
