# Halfway House

The **Centerstone Halfway House** facility offers 71-beds for individuals needing additional support in a recovery-based, integrative environment. The Halfway House is a transitional living facility for those who are new to recovery and are committed to a full life away from addiction.

The Halfway House is conveniently located near the RIDES Mass Transit line, which makes transportation easy.

## The program offers the following services:

- Up to 90 days of service, based on individual need
- A structured living environment
- Individual and group counseling, along with community support
- An array of evidence-based group programming
- Vocational services to assist in obtaining employment, including resume building and job placement
- Skill-building that focuses on independent living
- Case management services to assist with release planning
- Numerous recovery-based meetings in the community
- Services are provided on a sliding-fee scale through DASA and private pay
- No waitlist

## About Centerstone

Centerstone is a not-for-profit health system providing mental health and substance use disorder treatments. Services are available nationally through the operation of outpatient clinics, residential programs, the use of telehealth and an inpatient hospital. Centerstone also features specialized programs for the military community, therapeutic foster care, children's services and employee assistance programs. Centerstone's Research Institute provides guidance through research and technology, leveraging the best practices for use in all our communities. Centerstone's Foundation secures philanthropic resources to support the work and mission of delivering care that changes people's lives.
