

Keys to Recovery

Centerstone's Keys to Recovery integrates behavioral health treatment and supportive services for individuals and families in Davidson County, TN, who experience homelessness and have a substance use or co-occurring disorder.

People experiencing homelessness in Davidson County experience higher rates of addiction, severe mental illness, domestic violence and HIV/AIDS making it difficult to find and sustain housing. Our staff work closely with individuals and their families to ensure they have the resources needed for permanent housing that supports recovery.

Features

Keys to recovery services include:

- Support in securing and maintaining permanent housing
- Trauma-informed and individualized substance use disorder treatment
- Peer support services
- Connection to physical and mental health care resources
- Additional recovery supports such as linkage to transportation, child care and education

Eligibility

This service is available to individuals and family members in Davidson County, TN, experiencing both homelessness and a substance use or co-occurring disorder.
